The Sovereign Grand Commander delivered his Annual Address, as follows :

*To the Supreme Council of the A. : and A. : Scottish Rite for the Dominion of Canada.*

ILL. BRETHREN :

Once more it is my privilege and pleasure to welcome you to the Annual Convocation of the Supreme Council for Canada in the City of Montreal—our Grand East. There is always a feeling of gratification in assembling here where so soon after the first meeting and organization of the Rite thirty-nine years ago, this Supreme Council as the ruling body of the Ancient and Accepted Scottish Rite for the Dominion of Canada, established its Grand East, and where our older members have so frequently come together to discharge the important responsibilities connected with the superintendence and government of the Rite in so widely extended a territorial jurisdiction. Associations of the past are vividly recalled, remembrances of eminent and very dear brethren are very distinctly awakened and in a sense we live over again those early days of our history as an independent jurisdiction. But we always like to come here because the welcome we receive in this valley never fails in being most hearty and generous and our meetings have invariably been most enjoyable.

While humbly thankful to our Almighty Father that so many of us have been mercifully spared in health and strength to come prepared to discharge the duties and functions of our exalted stations, we are sorrowfully aware that since the last meeting our ranks have not remained unbroken. Ill. : Bros. : CHARLES WELLS HAGAR, 33°, and Hon. JOHN VALENTINE ELLIS, 33°, will never again sit with us in Supreme Council here on earth and it is difficult to find language to express adequately the loss we have suffered by their removal from among us.

Ill. : Bro. : HAGAR, 33°, was one of the best liked and most useful members of Supreme Council. He died on 16th March last after a critical illness of some duration with, at times, changes for the better taking place, giving ground for more or less confidence that his recovery might be expected. It was said of him in Montreal by the Grand First Principal of the Grand Chapter of Quebec : “ Whether in the craft or beyond its borders there was probably no man more “ universally respected in this great city ; indeed so far as his brethren are “ concerned it is no exaggeration to say that they loved him, for he possessed in “ a marked degree those qualities of heart and mind which call forth the affection “ of one man for another.”

These words strongly express the appreciation and affectionate regard felt for our deceased brother by the membership of this Supreme Council. Bro. : HAGAR was born in Montreal 22nd March, 1846, initiated in Mount Royal Lodge, No. 32, Montreal, 8th June, 1869, and affiliated with Royal Albert Lodge in December 1870. He was W. M. of this Lodge in 1892 and 1893, was Grand Registrar

of the Grand Lodge of Quebec in 1905, and was elected Deputy Grand Master only a day or two before he was stricken down by his fatal illness. In Capitular Masonry he was a member of Royal Albert Chapter, Montreal, and had been Grand Assistant Sojourner. He was a member of the Royal Order of Scotland. In the A. & A. S. Rite he became a member of Hochelaga Lodge of Perfection in February 1875 and was Most Wise Sovereign of Hochelaga Chapter of Rose Croix for 1895, 1896, 1897 and 1898. He was received as an Honorary Inspector General in the Supreme Council in October 1893 and crowned an active member three years later. He became Deputy of the Supreme Council for the Province of Quebec in 1910, which office he continued to fill till his death.

Ill.°. Bro.°. HON. JOHN VALENTINE ELLIS, 33°, closed a Masonic career, which in all branches of Masonry was brilliant and especially marked by thoroughness of understanding and appreciation of principles and teachings. He achieved the highest position in every branch of Masonry and was Sovereign Grand Commander of this Supreme Council from 1886 to 1892. When it is stated that he was the first to receive the thirty-third degree in our Supreme Council in 1874 and that from that time till his death he rarely, if indeed ever, missed a meeting, frequently travelling long distances and battling against gradually failing strength as well as personal inconvenience, it can well be understood how closely his name will ever be associated with the first four decades of the history of this Supreme Council. Our Ill.°. Bro.°. died on 10th July last in his seventy-ninth year, having been born at Halifax, Nova Scotia, on 14th February, 1835, of Irish parentage. His early career was characterized by a determination to meet and conquer difficulties. As printer, reporter, editor and then responsible publisher his efforts were crowned with uniform success, but while achieving that success he lost no opportunity to supplement his early education by careful reading and study, securing thereby a well-deserved reputation for broad culture. He stood out prominently among leaders in every progressive movement in his community, devoted much attention to philanthropic and humanitarian work and commanded the respect of all who knew him. In public life, whether as a member of the Provincial Legislature or the House of Commons or finally of the Senate of Canada, he was distinguished by his clearness of intellect, independence of views, and unfaltering adherence to convictions, even when not in entire accord with his usual political leanings and affiliations. In deliberative work he never jumped at conclusions; his well-balanced mind always strove after that which under all the circumstances might seem to him prudent and right; clear-headed and concise in the expression of his views, he seldom failed to secure conviction and concurrence. Bro.°. ELLIS as a Past Sovereign Grand Commander for Canada was prominent in the representation of our Supreme Council at the International Conferences at Brussels in 1907 and Washington in 1912, and probably it may safely be said that throughout the world of Scottish Rite Masonry no name was better known or stood higher than that of our Brother.

Among sympathetic expressions which have been received from abroad the Grand Secretary of Belgium assures us in behalf of his Supreme Council of their deep appreciation of his fine intellectual and moral qualities, his untiring activity

in spite of age and his profound knowledge of complicated questions affecting the Rite and referring specially to the active part taken by him at the Washington Conference, declares his death a serious loss suffered by the Rite in general.

The Supreme Council of Scotland, speaking through their Grand Secretary General and expressing deep regret, desire to be associated with us in our sorrow with an expression of appreciation of his life's work and character as well as of sympathy with his widow and family.

The Supreme Council of England similarly express sincere regret. To quote some of the words of their Grand Secretary General : " They well remember his coming over to attend the meeting of the English Speaking Supreme Councils which took place here (London) in 1907 when he endeared himself to us all and they are glad to think that they had the pleasure of becoming personally acquainted with him. They fully realize the serious loss which your Supreme Council has sustained by his death and they beg you to accept their most sincere sympathy."

Perhaps no stronger testimony as to the high esteem in which our Bro. : was held by sister jurisdictions could be adduced than is contained in the words of Grand Commander BARTON SMITH, when proposing the toasts of the guests at the great banquet in Boston a year ago, I having insisted on our late Bro. : being called upon to respond in behalf of Canada. He said : " I toast you now ' Our Guests ' and shall ask to respond to that toast the man who, in the universe of Free Masonry, comes nearer taking the place of Henry L. Palmer than any man living, for in the world of Masonry there grow up from time to time men, who, by long, distinguished and devoted service, come to be recognized without official rank or position as the real head of the Masonic world. To me today the grand old man of Masonry is JOHN V. ELLIS, of Nova Scotia. We love and honor him."

Sovereign Grand Commander Raymond, 33°, of France, speaking for his Supreme Council and expressing the deepest sorrow, says : " We are very seriously affected by the serious loss which you have suffered,—all the more because we have been able to know and appreciate the eminent qualities of the illustrious deceased, who has always been so devoted to our Order. Moreover he was our Grand Representative near your Supreme Council and formed a veritable link of sympathy between our two jurisdictions. Our Supreme Council with all its heart joins in your regrets—emphasizing the brethren's feelings by a battery of grief in honour and memory of the late departed illustrious brother."

Such are some of the expressions of sympathizing leaders in the Rite outside our jurisdiction. Words fail to adequately express our great loss

We shall miss him. My dear Ill. : Bro. : STEARNS, one of his successors in the chair I now occupy, and who with myself enjoyed so many years of close

intimacy and community with him, shall sorely miss him, but the memory of his unfailing courtesy, his calmness and reasonableness in debate and his living exemplification of high ideals, will still be with us all to guide, to caution, to encourage, to stimulate us to nobler purposes, teaching us that "men may rise on stepping stones of their dead selves to higher things."

---

From other jurisdictions we have had fewer intimations than usual of losses by death. Very briefly they are as follows :

The names of both Ill. : Bros. : MADERO and REYES are familiar to us in connection with recent troublous times in Mexico.

FRANCE.

Ill. : Bro. : FERNAND FAU, 33°.

SWITZERLAND.

Ill. : Bro. : ERNEST VALLECARD, 33°.

Ill. : Bro. : HENRI COEYTAUX, 33°.

Ill. : Bro. : JUAN JOSE LATORRE was a Charter member and Honorary Sovereign Grand Commander, an ex-Minister of State and a Senator of the Republic of Chili.

Ill. Bro. : ENRIQUE PASTOR had a record of fifty-six years of active Masonic life ; had founded various symbolic lodges, was a prudent counsellor and an example of activity and constancy.

## PARAGUAY.

Ill.°. Bro.°. JUAN G. GONZALEZ, 33°, one of the founders of that Supreme Council. He had filled many offices in the Rite as well as in other branches of Masonry. In 1890 he was elected President of the Republic, occupying this high position until 1894.

DR. FLAVIANO GARCIA RUBIO, 33°, a Past Grand Master ; Professor in the National University ; Founder of the Faculty of Medicine : Decorated by the Spanish Government with the "Cross of Naval Merit."

## INTERNATIONAL CONFERENCE OF SUPREME COUNCILS.

Our last Annual Meeting was held so soon after the Washington Conference that I was unable to place before the Supreme Council the conclusions arrived at by the Conference, and my inability to remain till the close of the Conference placed me at a disadvantage in any attempt I might have made to convey to you any outline of the proceedings. Having subsequently, however, secured an abstract of the proceedings, I directed the Grand Secretary General to append same to the report of the Committee on Foreign Relations, so that the same might be printed with the published proceedings of the Annual Session of this Supreme Council for 1912, and this was done.

It now becomes my duty to state what resolutions of the Conference at Washington are recommended by me for ratification and approval by this Supreme Council, and in doing so, reference should be made by me to one of the rules adopted for the government of the International Conference of Supreme Councils at Brussels in 1907 and unanimously re-affirmed at the Washington Conference. It was as follows : "After discussion, unless three Supreme Councils shall object, the opinions of all Supreme Councils shall be received and recorded, but no action, legislation or recommendation of this Conference shall be binding upon any Supreme Council, until the same has been reported to and ratified and approved by it."

So far, therefore, as this or any other Supreme Council may be concerned, all resolutions adopted by any of these International Conferences are advisory only until specifically ratified and approved.

I have had the advantage through the courtesy of Sovereign Grand Commander, BARTON SMITH, 33°, of learning how far his recommendations have gone in submitting resolutions of Conference for adoption and concurring with him, I recommend that the following resolutions be ratified and approved by this Supreme Council, viz :

- (1) RESOLVED:—That the work of securing the information relating to the ARCANa of the Rite as used in the Supreme Councils of the world shall be committed to the charge of the Supreme Council of Switzerland ; such information shall be received as speedily as practicable and shall be communicated to all the Councils composing the Conference within the next three years.
- (2) RESOLVED:—That this Conference does not favor and will not recommend obligatory arbitration between Supreme Councils.
- (3) RESOLVED:—That the principle of arbitration established at the Brussels Conference be fully ratified and confirmed.

The following being the finding of the Brussels Conference thus ratified and confirmed : “ When any disagreement occurs between two Supreme Councils which they find impossible to adjust by their own efforts, the Committee believing that Arbitration is the most fraternal and most practical way of adjusting differences, earnestly advise that the parties “ submit their differences to friendly arbitration.”

- (4) RESOLVED:—That the Conference in continuing the work begun at Brussels in 1907 relating to the unity of the signs and words or secret work of the Rite, recommend to all the Supreme Councils participating in this Conference, the desirability of establishing such unity, and to that end, further recommend that every Supreme Council shall send to the Supreme Council of Switzerland signs, tokens, words and Arcana or secret work to be by it submitted to the next Conference for such action as it may deem proper.
- (5) RESOLVED:—That each Secretary General or other proper officer of each Supreme Council forward to each of the other Supreme Councils by this Conference considered regular a list of all Masonic Bodies, whether under Scottish Rite or otherwise, recognized as regular, and also a list so far as possible of all bodies known to be irregular.
- (6) RESOLVED:—That each Supreme Council send regularly to all Regular Bodies the names of all the officers entrusted with the signatures of its Masonic documents.

That each Supreme Council insist on the necessity of making known a once any change which may arise in this list.

- (7) RESOLVED:—That a Medal commemorative of this International Conference (at Washington, D. C., U. S. A.) of 1912 be struck and distributed to the participants and that a Committee be appointed to effect this, the expense to be apportioned among the Supreme Councils of Canada, and the Northern and Southern jurisdictions, U. S. A.

- (8) **RESOLVED:**—That in the opinion of this Conference the so-called Supreme Council for the United States of America, their territories and dependencies is not regular and is not legitimate.

In ratifying and approving of the foregoing resolutions it should be expressly understood that nothing in the acts or proceedings of the International Conference shall be binding upon this Supreme Council, saving and excepting as therein set forth.

*re* SPAIN.

As will be seen by reference to the published proceedings of the Conference the Grand Orient of Spain has in various localities of the United States of America assumed to establish Lodges of the first three degrees and that this action has been taken through the agency or instrumentality of the Grand Lodge within the borders of the United States and it is alleged that the Supreme Council for Spain has to some extent concurred in this irregular action. Consideration of the very generally established principle of geographical jurisdiction it is claimed has been wantonly ignored and it was thought proper for the Conference to express the hope that the Supreme Council for Spain should not only refrain from being an assenting party to any such irregular and undesirable action, but should in every reasonable way discourage the same. No satisfactory explanation or reply has been given by the Grand Commander of the Supreme Council of Spain to repeated expostulations and communications from the Grand Commander of the Southern Jurisdiction on this subject and amicable relations between the two United States Jurisdiction and that of Spain are in danger of being seriously interrupted. The Northern and the Southern Jurisdiction in the most emphatic manner declared at the Conference “that they will never consent to the establishment of Lodges “of the degrees of the symbolic Rite in any of the States of the United States by “any other authority than that of the Grand Lodges in these States.” I think this Supreme Council should declare its concurrence in the decided attitude taken by the two jurisdictions of the United States with reference to this matter.

RECOGNITION OF SUPREME COUNCILS.

A deliverance of the Conference on this subject not included among the resolutions recommended by me for ratification is in my opinion a subject which calls for a few remarks.

This resolution is as follows:—“That in the opinion of the Conference bodies “of Free and accepted Masons or other persons who confer degrees, perform Rites, “or conduct the business of Scottish Rite Masonry or the Supreme Councils “thereof, who are not either mentioned in the list of those invited to be present “by delegates to this Conference or recognized now or hereafter as regular by at “least a majority of the bodies in the list of invited and admitted or recognized “bodies are irregular and clandestine and no regular Scottish Rite Mason should “under any circumstances hold any intercourse with any such irregular body or “any member acting under it, or of any of its subordinate bodies. And hereafter

“ no body shall be considered a Supreme Council in any country unless it shall  
“ have obtained recognition and established fraternal relations with every exist-  
“ ing regular Supreme Council, within a period of two years from the date of its  
“ organization.”

To ratify this resolution would, it seems to me, mean a voluntary limitation and abridgment of the independent sovereignty of this Supreme Council. The latter part of the resolution would give a single Supreme Council—possibly a Supreme Council with disputed questions existing between it and the newly organized Supreme Council—the power to render nugatory recognition by all other Supreme Councils. That would be absurd. It is desirable that some interchange of opinions should take place between Supreme Council before recognition is formally extended to any new Supreme Council. As stated in the report of the section of the Conference which dealt with this matter, there will always be urgent appeals on the part of the new body for speedy recognition and each recognition is certain to be utilized as an argument why similar action should not be withheld on the part of those who have taken no action. It would be found impracticable by interchange of correspondence to reach all Supreme Councils. Interminable delays would be suffered and absolute unanimity should not be required where, as frequently occurs, ample room might exist for differences of opinion. But there are strong reasons why full information should always be secured and why more or less consultation should take place.

I had left Washington before the resolution quoted was adopted by the Conference. Had I been present it certainly would have received strong opposition on my part. Enough has been stated to justify my exclusion of the resolution from among those whose ratification has been recommended.

As stated in my last annual address Ill. : Bro. : GEORGE F. MOORE, 33°, Lieutenant Grand Commander of the Southern Jurisdiction, who had been asked at the Brussels Conference to deal with the matter, presented a report with reference to the general regulations of 1762 and the grand constitutions of 1786 together with manuscript copies of these documents in Latin, French and English, all of which the Conference ordered to be printed with its proceedings. So far the published proceedings with these documents have not been received and any action on our part with regard thereto, which may be necessary or desirable, must be deferred until our next annual meeting.

#### OUR NEIGHBORS.

It was with much regret that I was compelled to forego a visit to the northern Supreme Council at its annual meeting last month in Philadelphia. There is, I have some ground for believing, a prospect of our having the pleasure and honor of welcoming here on this occasion the Sovereign Grand Commander of that great jurisdiction. If thus favored, you will have the opportunity of observing how fortunate our northern neighbors have been in securing as their Grand Commander a brother of so great ability and attainments. We shall also, I trust, have

the opportunity of showing our appreciation of visits from other eminent brethren south of the border—some who have honored us by their presence in past years whom we always like to have with us as well as others who have frequently expressed their desire to visit Canada, but have been hitherto unable to do so.

The biennial meeting of the Southern Supreme Council is held during the present week, and owing to this concurrence, it is not possible to visit them and we rarely have the pleasure of receiving visits from our brethren of the south. We had Sovereign Grand Commander RICHARDSON with us three years ago and he has expressed his desire to come again. I am safe in saying that nothing could be more pleasing than the privilege of welcoming him again in this Supreme Council.

The meeting of the northern Supreme Council must have been of unusual interest taking place as it did at the completion of one hundred years from its original organization. There have been somewhat protracted periods of dormancy or comparative inactivity during the century which has elapsed, but the progress made during the last fifty years has been extremely steady and rapid and the jurisdiction has in numbers surpassed considerably that of the south. For many years our neighbors have been afflicted by attempted movements in the way of reviving Cerneauism and there has been much to contend against in the shape of illegitimacy. Evil-minded promoters of clandestine and spurious bodies have been industrious in their nefarious work, which in some States appears to have been carried out on a large scale. Fortunately, the courts, which have been appealed to, have by their righteous decisions done much in the way of putting a stop to the operations of unprincipled and wicked traffickers in counterfeited masonry; and probably no one individually has in and out of season been more conspicuous in the battle against illegitimacy and fraud than our Honorary Member, Ill. : Bro. : WM. HOMAN, 33°, Deputy for the State of New York in the northern Supreme Council and Commander-in-chief of the Council of Deliberation for that State.

While our relations with our brethren of the north and south have always been of the most friendly and amicable nature, it has been during the present year also extremely gratifying to observe the general disposition on both sides of the line to celebrate one hundred years of peace between the peoples of the two countries. It is difficult even to imagine any condition of circumstances arising in the future calculated to disturb this friendly international relationship. With a common ancestry—the same language—similar systems of religion, education, jurisprudence and philanthropy, intermingling of domestic relationships and community of general interests, it would be a crime against humanity if any method of adjusting differences, which might arise in the future, were resorted to other than friendly negotiation or peaceful arbitration. Certainly the moral influence of the reciprocal fraternity of Masonry will always stand out against resort to sterner methods.

Compared with Supreme Councils throughout the world, the Northern and Southern Jurisdictions far outstrip all others in numbers. The large classes of Honorary Inspectors-General created from year to year differ very widely from

•

the more exclusive system which has been pursued in the British Supreme Councils. The same remark may be made as to the Subordinate Bodies of the Rite generally. But the United States is a very large country with a very large population, and with very many large cities and centres of wealth, culture and influence. Masonry is widespread and general, and it is not to be wondered at that the degrees of our Rite should be aspired to by so large numbers. Good men and good Masons are not "scarce," and if we think that the ranks of the Scottish Rite are and should be composed of a high-class of material, it is almost a truism to state that material of equally high-class should not be excluded. On the other hand, it is not unreasonable that considerations of educational and social qualifications, and qualities should more or less prevail. Fellowship is a matter of choice or selection and not of right. Our lodges and chapters are not mere business concerns recruited from time to time in an ordinary routine business-like way. We should go on increasing our numbers, but we have a right to choose those between whom and us the association of intimacy is to exist. There is, therefore, much to be said as between exclusiveness on the one hand and a sort of free for all admission on the other hand in numbers which are practically inconsistent with desirable carefulness of selection or choice. For my own part I prefer the atmosphere of the smaller body, in which the brethren can be and usually are well-known by each other, to the large gathering which is necessarily composed of many who are strange to each other and which suggests the idea of a public meeting rather than that of a Masonic Lodge. But—I have been wandering.

#### HOME AFFAIRS.

We may congratulate ourselves on the results of the past year's operations, a very considerable increase in work over any previous year having been accomplished. What is specially gratifying is that this increase is pretty general all along the line. In "Perfection" work a gain of more than twenty-five per cent. has been realized over the year previous and nearly seventy-five per cent. over 1911, the city lodges of Ontario, including Guelph, the Royal City, and our latest creation, Sault Ste. Marie Lodge having shown great activity, while Kingston Lodge has given distinct evidence of increased vitality. Manitoba, Saskatchewan and British Columbia show considerable advances.

In "Rose Croix Chapter" work, Bethesda Chapter, of Winnipeg, Manitoba, including Saskatchewan, has added as many as sixty-three, and the general result shows fully thirty-three per cent. increase over the two previous years.

Moore Sovereign Consistory, of Ontario, leads very considerably in Consistory work, while throughout the jurisdiction about one-third more work has been done than in either of the two previous years.

Moreover, the tendency in all the bodies is in the direction of working more and more of the degrees and conferring them with greater amplitude as well as accuracy. The Easter meetings are rarely neglected and it has been more than gratifying to know how generally the solemn ceremonies appropriate to that week

are appreciated, including the addresses delivered on Easter Sunday, many of which have been read by me and have shown much thoughtful preparation. Most of the more progressive valleys continue to hold Annual Re-unions. The one at Hamilton has generally been attended by me when I always participate in the work of the "Kadosh Degree." These Re-unions are most useful in a variety of ways, but I have always deprecated a tendency observable to concentrate on these occasions an abnormal amount of work with excessively large classes of candidates.

The reports of the Grand Secretary-General, the Grand Treasurer-General and the Deputies of the several Provinces will be submitted to you and will afford more detailed information on the state of the Rite and general operations throughout the year.

#### BY-LAWS.

Amendments to By-Laws of the Lodges of Perfection of Winnipeg and Vancouver have received my approval.

#### GRAND REPRESENTATIVES.

The death of Ill. : Bro. : HAGAR, who represented Venezuela, and of Ill. : Bro. : ELLIS, who represented Scotland, France and Turkey, left vacancies for which names have been submitted to the Councils interested; but we have not yet been advised of any action thus far.

Our representative in Uruguay, Ill. : Bro. : JOSE MA CASTANO, 33°, having died, Ill. : Bro. : PABLO FONTAINA, 33°, was on recommendation duly appointed to fill the vacancy.

There being no representative of the Jurisdiction for Egypt, the name of Ill. : Bro. : IDRIS BEY RAGHEB, 33°, the Sovereign Grand Commander, which was submitted, was accepted and he was appointed accordingly.

The death of Ill. : Bro. : LORD JUSTICE FITZGIBBON, 33°, in Ireland, and the death of Ill. : Bro. : ERNEST VALLECARD, 33°, in Switzerland, leaves us without representation at these Supreme Councils and no names to fill these vacancies have so far been suggested for our approval.

England :—Ill. : Bro. : THE RIGHT HONORABLE THE EARL OF DARTREY, 33°, Sovereign Grand Commander, has resigned, the Lieut. Grand Commander, Ill. : Bro. : THE RIGHT HONORABLE THE EARL OF DONOUGHMORE, 33°, succeeding to the command whilst the former has become Lieut. Grand Commander.

#### A QUESTION OF JURISDICTION.

Sovereign Grand Commander RICHARDSON having requested that our bodies at Winnipeg should confer degrees on a brother who had been accepted at Louisville and afterwards removed to Winnipeg, I asked the Grand Secretary-General to communicate with our bodies in that city. They have been willing to comply

with the request made, but raised a question as to doing so without insisting on the necessary time elapsing between the conferring of degrees as laid down in our statutes. I have ruled that the constitution of the jurisdiction of his allegiance determines the requirements to be regarded in this connection, and Sovereign Grand Commander RICHARDSON concurs in this view, and as the statutes of the southern jurisdiction provide for waiving of delays between degrees, there need be no hesitation on the part of the Winnipeg bodies.

This is quite in harmony with a ruling of three years ago in the case of a candidate from British Columbia who desired to receive his degrees in Spokane in the United States, in which case it was ruled that the time limits for degrees must follow the requirements of the Supreme Council of Canada and be dispensed with, if at all, only by regular authority in that behalf received from this side of the line.

#### VACANT OFFICES FILLED.

Our Ill. : Bro. : W. H. THORNE, 33°, having a year ago resigned the office of Lieut. Grand Commander, I appointed Ill. : Bro. : the HON. WM. GIBSON, 33°, in his room and stead ; also Ill. : Bro. : JOHN ALEXANDER CAMERON, 33°, was appointed by me Special Deputy for the Province of Quebec, in view of the death of late Bro. : CHARLES W. HAGAR, 33°.

#### ILL. : BRO. : W. G. EAKINS, 33°.

I am sure, brethren, you will all deeply regret the absence from this meeting of our Grand Captain of the Guard, Ill. : Bro. : W. G. EAKINS, 33°, who has for many months been subjected to a severe illness which has confined him to his home, and that you will unite with me in an expression of deep sympathy with our stricken brother coupled with the heartfelt wish that he may soon be restored to health and strength and that next year he may be with us rendering able assistance, which he is so well qualified to give, while brightening the atmosphere of Supreme Council by the gentleness of his disposition and amiability of his personality.

#### PETITIONS FOR WARRANTS.

In my last annual address I dealt with the cases of petitions for Lodges of Perfection from Sault Ste. Marie in Ontario, Calgary in Alberta, and Saskatoon in Saskatchewan, and disposed of same by referring them and the correspondence connected therewith to the appropriate Committee in that behalf. This Committee recommended that these petitions be left to the "wise judgment of the Sovereign Grand Commander who is sufficiently informed of all the facts in connection therewith."

#### SAULT STE. MARIE.

On the 19th December, 1912, I granted a dispensation for a Lodge of Perfection at Sault Ste. Marie, where a Lodge of Perfection named Sault Ste. Marie has been duly organized under most favorable circumstances and with every promise of great usefulness and permanent success.

A number of preliminary and organizing meetings having been previously held, Ill. : Bros. : ALLEN, 33°, WEBSTER, 33°, RIGGS, 33°, CLEWLO, 32°, STANTON, 32°, EDDIS, 32°, JULI, 32°, and PARK, 32°, all of Toronto, visited Sault Ste. Marie for the purpose of working the degrees of Perfection and assisting the Sault brethren in the initial work of the Lodge. The applications of some forty-seven brethren had previously been received at different meetings and balloted on and accepted. The Toronto brethren are certainly entitled to the highest commendation for the generous sacrifice made by them in devoting the time and expense involved in making this pilgrimage of so much importance and advantage to the new body. The Lodge has since then held several meetings with the result that at the present time there is a membership of about eighty brethren. On the 17th and 18th September I proceeded to Sault Ste. Marie, accompanied by Ill. : Bro. : STANTON, 32°, and Ill. : Bro. : COL. JOHN C. BARLOW, 31°, of Bury, England, with the special purpose of visiting this Lodge and am justified in saying that I was greatly astonished as well as pleased by what I had the opportunity of seeing. The fourth, fifth, sixth, ninth, thirteenth and fourteenth degrees were conferred in full upon a large class of candidates and it was gratifying in the extreme to observe the interest and efficiency displayed by the Sault Brethren. The robes, appointments and general paraphernalia seemed admirably complete in all details.

The work of the various degrees had been assigned among the members of the Lodge and they had evidently devoted much time to rehearsal and practice with the result that the ritual was rendered fully and very accurately, the charges being all through quite admirably delivered. A foundation has been laid and a commencement made ensuring very satisfactory efficiency and a successful career. Moreover, it is evident that the membership consists of a very superior class of brethren. I have no hesitation in recommending that a charter be granted.

#### SAULT STE. MARIE AND BARRIE.

While on this subject, I regret to state that there has been some friction between this new body and the Lodge of Perfection at Barrie. It seems that about the time a dispensation for the new body was granted, two petitions which had been some time previously sent from Sault Ste. Marie to the Barrie Lodge of Perfection, were favorably considered and the degrees conferred. It may be taken for granted that as to these two candidates no objection can be raised, as it may be assumed that the Barrie Lodge was not aware that a dispensation was being granted. But, subsequently, twenty-two petitions appear to have been sent to Barrie Lodge, nineteen of which were from Sault Ste. Marie Lodges, one from Fort William and two from Thessalon, all clearly within the jurisdiction of the Sault Ste. Marie Lodge, and notice of ballot on these twenty-two petitions was given for the regular meeting of Barrie Lodge on 18th February, on which date the meeting was held and the petitions of the twenty-two candidates were favorably considered. Subsequently, ten more applications were sent down to the Barrie Lodge to be presented at the March meeting. All these thirty-two applications were recommended by the same two brethren who had received the

degrees in December. Definite formal notice of the dispensation was not given to the Barrie Lodge until about the 11th of March. The question then arose as to the twenty-two candidates who had been balloted for on 18th February. As to the ten subsequent applications, no action having been taken by Barrie Lodge before express notice of the dispensation, no question could very well be raised. Fees, however, had been sent with some of these ten petitions which should be returned. But in the case of the twenty-two applications which had been balloted on and accepted, in ignorance we will assume, on the part of Barrie Lodge, it seemed to me that, if the applicants really desired to go on with their applications and receive their degrees in Barrie, they might be allowed to do so by the consent of the Sault Ste. Marie Lodge, which, I have been assured, would probably in the case of most, if not all, of them be given, and by virtue of a dispensation which I thought might well be granted, thus getting over any question of jurisdiction. The Grand Secretary-General was accordingly requested by me to give intimation to that effect. I am not aware, however, that this course has been adopted by any of the applicants.

No action has been taken with regard to the petitions from Calgary and Saskatoon brethren. Delay seemed wise a year ago, and in the absence of unanimity of opinion as to the wisdom of granting dispensations, I have thought it both expedient and proper that there should be further delay. At the same time I trust we may with hopefulness and even confidence expect that before long the A. & A. S. Rite will be represented in these progressive and enterprising centres of population and influence by Lodges of Perfection that will in all respects enjoy the entire approval, satisfaction and confidence of all concerned.

#### CONCLUSION.

And now, my brethren, having referred to and dwelt more or less at length upon such matters of routine and of special interest as seemed to me properly within the scope of an Annual Address, it becomes my duty to say a word or two by way of valedictory:—

Three years ago my address concluded with expressions plainly indicative of my desire and determination not to be re-elected as your Sovereign Grand Commander. I felt then as now, that in the interest of the Rite, good and strong reasons exist for not prolonging the Commander's tenure of office beyond a second term. It is quite improbable that in our jurisdiction it will ever be thought necessary or advisable that the incumbent shall devote his whole time exclusively to the office and in a sense the superintendence of the Rite, and it, therefore appears that the ordinary and natural gravitation, if not aspiration, of leading members of Supreme Council towards the Commander's chair should not be unduly obstructed. It is desirable that younger brethren and new blood should from time to time be brought to the front, but neither in this Supreme Council nor in any other Masonic body, whether grand or subordinate, should mere seniority or length of service determine the selection. Whatever may have been my qualifications for presiding over your deliberations or for dealing with the business affairs of Supreme Council,

there has been on my part all through my prolonged tenure of the exalted position a conviction that full duty was not being performed. Probably it can be said that the routine of necessary business has never been neglected or delayed by me, but occasions have too often arisen when the conflict between duty to the Rite and the inexorable demands of business and official responsibilities has resulted in the interests of the Rite being apparently treated as not of paramount importance. My successor is sure to be more fortunate in that respect than I have been. And yet, Brethren, I shall not go back to the ranks with anything like a feeling of self-reproach. If my full duty has not been performed, you are to blame. In putting me at your head you did so in spite of warnings on my part and "you sinned against the clearest light." But whatever may have been my shortcomings, these nine years will, so long as I live, be regarded as a very special period in a lifetime which has been full of effort and diversified experiences. The utmost kindness and courtesy to me personally have been united to a very respectful consideration always manifested for the official rank of Sovereign Grand Commander and I cannot recall even the slightest interruption or disturbance of mutual confidence and affectionate relationship during all these years. We have labored together in the best interest of the A. : & A. : S. : Rite in this country. Its principles, its teachings, and its practices we know are worthy of our advocacy and exemplification. Possibly the best efforts we can manifest may seem trifling or even futile. But it is not so. If we but aspire to a greater perfection there is a sense in which even the thoughts of our minds have a bearing upon the nature of our future individualities in the Eternity beyond the grave; How much then, can and should be accomplished in practising and teaching the lessons, which permeate the degrees of our Rite—Reverence for the only true and living God, impartiality, justice, equity, loving-kindness—these, we can, if we will, in one way or another, practise and teach every hour in our daily life.

Let my last words be those which you have often heard before : " To know "our duty is useless unless we do it ; to be familiar with the teachings of "Freemasonry is worthless unless we realize them in our practice."

And now, Peers and Brethren, let us devote ourselves to the duties which lie before us and may the God of infinite beneficence and love enrich us with His blessings now and evermore.

J. M. GIBSON, 33°,

October 22nd, 1913.

*Sov. : Gr. : Commander.*

The Lodge of Perfection 14° was then closed and the Supreme Council resumed labour in General Session.

On motion the address was referred to a Special Committee whose members were named by the Sovereign Grand Commander, as follows : Ill. : Bros. : TOOKE, CHIPMAN and BALLARD.

The annual report of the Secretary-General and that of the Treasurer-General were then presented and read, as follows :

*Treasurer-General.*

On motion of Ill.: Bro.: MACKAY, seconded by Ill.: Bro.: BALLARD, these two reports were referred to the Committee on Audit and Finance.

The following reports of the Deputies of the Supreme Council for the different Provinces were then read :

## ONTARIO.

*To the Supreme Council A.: & A.: Scottish Rite for the Dominion of Canada.*

## ILLUSTRIOUS BRETHREN :

In compliance with the duty of Deputy for the Province of Ontario to the Supreme Council for the Dominion, I have very great pleasure in reporting that the Rite is making its influence felt for good amongst the Lodges, Chapters and Knight Templar Bodies in the Province, and that peace and brotherly feeling prevade our Order.

In a word I am pleased to report the vast improvement that has taken place during my long term as Deputy for the Province of Ontario, and am confident that at the end of the term of my successor he will be able to report a much greater advancement.

Dispensations were granted to Ottawa, Hamilton and London for several reasons which appeared to me to be proper and in the best interests of the Order.

## OTTAWA.

The Bodies of the Rite in the Valley of Ottawa have had a very successful year as may readily be shown by the following figures.

The Easter services were held as usual and a very able and instructive address was delivered by Sov.: Pce.: E. C. WIGHT, 18°.

At the Re-union, DR. J. H. PUTMAN, 18°, delivered an address on Masonry and the New Democracy.

## LONDON.

The London Re-union was held on the 19th and 20th of February, 1913, for which I granted a dispensation. This was the first Re-union to be held in their beautiful new Masonic home.

At the Re-union the Hamilton brethren worked the 10th°, whilst the 13th° was worked by the visitors from Toronto.

At the close of the Re-union an At-Home was given to the visiting members and their ladies.

Brother J. VINING, 18°, is one of the best Secretaries of the Order.

TORONTO.

The Rite still keeps advancing and the same great interest is evinced by the new officers as was the case in the past.

Easter services were carried out in a most elaborate way, so well understood by our Toronto members of the Rite.

The same great care is taken of the funds and the balance sheet shows the handsome sum of \$12,945.65.

## GUELPH.

I was unable to visit the Bodies in the Royal City last year, but our good friend and brother the Treasurer-General was there for a few days, and he reported everything as regards the Lodge and Chapter to be in good order and doing excellent work. They have new quarters with electric light and other requisites to do good work.

## BARRIE.

Owing to another Lodge of Perfection being started at the Sault I received many complaints about it. Not having been made aware of such a Lodge, I sent on the correspondence to the Sovereign Grand Commander for him to deal with it. I have some correspondence regarding a number of brethren who had been balloted for and accepted, however it was out of my power to grant a dispensation that would be applicable between the months of September and January 1914. As I would not be Deputy of the Province for the period covered I refused to do so.

## HAMILTON.

The Annual Re-union was held on January 28th, 29th, 30th and 31st, and proved to everyone present that the attendance was greater than ever before and the work equally as well done. This popular Re-union is one of the Masonic events of the year.

Our American brethren continue to come over. They are most welcome visitors and we are always glad to extend a royal welcome to them as well as to brethren of other Consistories in Canada.

I also attended a special meeting of Murton Lodge last November at which splendid work was done by the regular officers of the lodge from 6° to 13° inclusive.

Ill. : Bro. : DR. CLARK took charge of the 12th degree with the assistance of his class of workers from Grimsby. Ill. : Bros. : GAVIN STEWART, A. T. FREED, D. MCPHIE, GEORGE MOORE and R. A. THOMPSON, 33°, were present.

On the 18th April, 1913, I had the pleasure of installing the officers of Moore Consistory. A great many members of the Supreme Council were present including SIR JOHN GIBSON, K. C. M. G., LL. D., Sov. : Gr. : Commander.

## CONCLUSION.

My desire is to thank the Sovereign Grand Commander and the members of Supreme Council for their kindness in overlooking my many shortcomings, and to be allowed to retire from the office of Deputy, which I have been too long in, and to select a younger Brother for the position. I have done my best and no one can do more.

And may our Father in Heaven have you in his holy keeping.

Fraternally yours,

WM. GIBSON, 33°,

## QUEBEC.

*To the Supreme Council A. : & A. : Scottish Rite for the Dominion of Canada.*

## ILLUSTRIOUS BRETHREN :

The few weeks which have elapsed since my appointment as Special Deputy of Supreme Council for the Province of Quebec, being of the period leading from the activities of the year that has gone, to those of the season in which we are now entering, have not called upon me to discharge any particular duty of a Deputy save that in reference to the annual returns from the several bodies of the Rite in the Province ; and in that respect, I beg to report that all returns, accompanied by the statutory fees, have been duly filed with the Secretary-General.

I am glad, however, to be able to assure Supreme Council that the condition of the Rite in the Province of Quebec continues to be one of health and vigor and promise of usefulness, and characterized by deep interest on the part of officers and members alike. This assurance, in so far as the Valley of Montreal is concerned, is based upon personal observation at the various meetings during the past year ; and as regards the Valley of Quebec, upon information afforded by brethren upon whose judgment reliance may be placed.

But it should be remarked that no notable increase in membership ought to be expected in the Valley of Quebec. Craft Masonry there is undoubtedly sound and progressive ; but under existing conditions its numbers are not and cannot be large ; and it has always seemed to me that a special duty is laid upon us all, perhaps even upon Supreme Council, to encourage and strengthen the hands of the brethren there who have so well proved their devotion to the inculcation and practice of Masonic principles.

I trust that it may not be deemed improper, in closing this short report, to assure the members of Supreme Council that Masonry generally in the Province of Quebec, and particularly the Ancient & Accepted Scottish Rite, has suffered a loss, not yet fully realized, in the death of our late Ill. : Bro. : CHARLES WELLS HAGAR, 33°, Deputy for Quebec. One of the old guard in Montreal, his influence was ever for good ; and I refrain from further words only because of my conviction that nothing I can say would increase the esteem in which he was held by the members of this Supreme Council.

Fraternally submitted,

J. ALEX. CAMERON, 33°,

*Deputy for Quebec.*

## NEW BRUNSWICK.

*To the Supreme Council A. : & A. : Scottish Rite for the Dominion of Canada.*

ILLUSTRIOUS BRETHREN :

As Deputy for the Province of New Brunswick I have the honor of submitting my annual report.

The Rite in this Province suffered a most grievous loss in the demise of our well beloved Brother the HON. JOHN V. ELLIS. What he was to Masonry in general and to the A. : & A. : Scottish Rite in particular in this Province, those of you at a distance can hardly appreciate. As a citizen and as a public man he was beyond all praise.

“To those who knew thee not no words can paint,  
And those who knew thee know all words are faint.”

During the year just passed I have regularly visited all meetings, installed officers when necessary and inspected the work. I can truly say that the work has been well done, that the members are enthusiastic, and that while no great additions have been made to our numbers, the three bodies are in a healthy condition.

I have issued no dispensations during this year, none having been applied for.

Fraternally submitted,

THOMAS WALKER, 33°,  
*Deputy for New Brunswick.*

NOVA SCOTIA.

*To the Supreme Council A. : & A. : Scottish Rite for the Dominion of Canada.*

ILLUSTRIOUS BRETHREN :

In this my sixteenth and last annual report, it affords me great pleasure in being able to announce the continued growth and prosperity of the Rite in Nova Scotia.

Sixteen years ago it was a weak and struggling institution, with a small membership and heavily involved in debt to the Supreme Council for dues and the Grand Lodge for rent. To-day it is my great privilege to report the affairs

of the Rite to be in a most flourishing and prosperous condition, both as to membership and finances. I take no credit to myself for this great advancement. It is entirely due to the wonderful zeal and energy displayed by the officers of the different bodies during all these years.

I regret very much that owing to my failing vision, I must now ask you to relieve me from the duties of this high and honorable position so kindly conferred upon me for so many years. In retiring, I wish to express my warm thanks and gratitude to all the officers and members of the different bodies of the Rite for their great kindness and consideration shown to me at all times.

Victoria Lodge of Perfection, 14°, has now a membership of 111, a gain of 8 members during the year with prospects of a much larger increase during this year

Keith Chapter Rose Croix, has now a membership of 85, a gain of 5, with good prospects for the future.

Nova Scotia Consistory, 32°, has now a membership of 55, a gain of 6 with the petitions of 10 candidates for the 32° in the hands of the Grand Secretary.

It is with feelings of deep regret that I have to report the death of three valued members of the Consistory during the year, Bros.: L. J. HESSLEIN, R. J. WILSON and T. H. G. STRACHAN.

The returns of the different bodies together with the regular fees have been forwarded to the Illustrious Secretary-General in accordance with the Statute.

Fraternally submitted,

ALEX. STEPHEN, 33°,

Halifax, N. S., October 15th, 1913.

*Deputy for Nova Scotia.*

### PRINCE EDWARD ISLAND.

*To the Supreme Council A.: & A.: Scottish Rite for the Dominion of Canada.*

ILLUSTRIOUS BRETHREN :

I regret that I have but a meagre report to present to you from Prince Edward Island as nothing of special interest has occurred during the year. A dispensation would have shown more work, but it would not be in accordance with the conception of your Deputy, of the opinion of the Ill.: members of this Supreme Council, or of the applicability of the statute governing the duties or privileges of Deputies—however, I am glad to report that peace, harmony and hopefulness for the coming year prevail.

The Consistory held four meetings. Degrees were communicated and conferred to the 30° at two of these. The membership is now 33, a gain of 2.

The Easter meetings of the Chapter were duly attended and the usual business transacted. Much satisfaction was expressed on the able address of REV. DR. FULLERTON which is always such a pleasing and instructive feature of these occasions. There has been no work during the year.

Albert Edward Lodge of Perfection held a few meetings at which only business matters were attended to with the election and installation of officers. Two candidates are now in waiting for the degrees.

A few of the members of the Rite were gladdened to shake hands with Ill. : Bro. : JUDGE MACWATT as he alighted for a few hours on his flying visit to the sea coast. If we could have more intercourse with our brethren it would do us good and broaden our sympathies and our outlook, and help us to realize that we are part (though small) of an Order that stands for all the virtues inherent in man, expressed in terms of brotherhood.

The returns of the several bodies with the fees and dues have been forwarded to the Ill. : Secretary-General.

Fraternally submitted,

D. DARRACH, 33°,

Kensington, P. E. I., Oct. 15th, 1913.

*Deputy for Prince Edward Island.*

## MANITOBA AND SASKATCHEWAN.

*To the Supreme Council A. : & A. : Scottish Rite for the Dominion of Canada.*

ILLUSTRIOUS BRETHREN :

It is my pleasure to submit my annual report as Deputy for Manitoba and Saskatchewan.

In the two above named Provinces the Rite is living in peace and harmony, and much good work is being done. The standard of the work is fast improving, several more degrees having been worked and others just about prepared for rendering in Winnipeg during this coming winter.

During the year under review, thirty-two members were added to the Lodge of Perfection roll, sixty in Bethe da Chapter, and a gain of fourteen in the Consistory membership, the material in all respects being what is desired.

The financial position of the Winnipeg bodies is highly satisfactory.

Ill. : Bro. : CAMPKIN informs me that the same situation prevails at Regina, Saskatchewan.

During a trip to the farther West this summer I had the pleasure of meeting brethren in Vancouver, Calgary and Edmonton and it was my good fortune to travel from Vancouver to Fernie, B. C., with Ill. : Bro. : BEN. ALLEN on my return journey.

Our Re-union last spring was of a high standard and the banquet during the session much enjoyed.

I regret having to report the deaths of several valued members during the past year. They will be sadly missed.

Fraternally submitted,

T. HARRY WEBB, 33,

Winnipeg, October 11th, 1913.

*Deputy for Manitoba and Saskatchewan.*

#### BRITISH COLUMBIA.

*To the Supreme Council A. : & A. : Scottish Rite for the Dominion of Canada.*

ILLUSTRIOUS BRETHREN :

In making my usual annual report on the standing of the several Scottish Rite bodies in the Valley of Vancouver, I desire to say that never in its history, so far as British Columbia is concerned, were its affairs in better shape with a healthier outlook and more promising future than it possesses to-day.

During the year we have made (considering our numerical population) very satisfactory progress so far as new members are concerned, and I am sure that ours will compare very favorably with any other Valley within your jurisdiction. We have added 38 to the Lodge of Perfection, 23 to the Rose Croix Chapter and 8 to the Consistory, giving the several bodies a total membership of 267, 166 and 102 respectively. Had I been home instead of being absent in England for the past five months I think I am safe in saying these figures would have been very much greater. I was requested by the Consistory to grant special dispensation for advancement in these degrees for eight candidates. After serious consideration, I concluded it would be wisdom on my part to accede to the request, I therefore issued the dispensations as to time limit for these eight candidates for the 31° or Inspector Inquisitor Commander and 32° or Sublime Prince of the Royal Secret.

Our Re-union held the end of January and the beginning of February, 1913, was a marked success, both in candidates from the outside sections and general attendance of our members. The healthy tone and spirit that prevailed throughout the period were certainly gratifying, and I have noticed a decidedly greater interest being taken by the brethren in our regular meetings ever since. I also find a keener desire evidenced by the brethren to work in full other degrees in the Chapter and Consistory which has not been attempted heretofore, but will be by the time our Re-union takes place again. I may just at this point report that we have a full set of active officers for all the degrees of Perfection and we are able to put every candidate through each degree 4th to 14th, working them in full.

The necessary fees for the year have been remitted, leaving us with a substantial balance in our treasury which will be used for the purpose of purchasing an eligible site which has been secured and on which we intend erecting a suitable home in the future devoted solely to Scottish Rite Masonry.

Having been absent in Great Britain for so many months of this year and being still many miles from home, I am unable to report upon our affairs fully up to date.

In conclusion, let me say that the Rite is on a solid foundation in British Columbia, admired, respected and revered by all good Masons. I desire to thank the Supreme Council for their graceful acceptance of my recommendation at last year's meeting and I can assure you, if favorably considered this year, it will be a great factor in stimulating still greater interest.

All of which is respectfully submitted.

Yours fraternally,

J. R. SEYMOUR, 33°,

Montreal, October 23rd, 1913.

*Deputy for British Columbia.*

#### ALBERTA.

*To the Supreme Council A.°. & A.°. Scottish Rite for the Dominion of Canada.*

ILLUSTRIOUS BRETHREN :

I beg to submit my report on the condition and progress of the Rite in the Province of Alberta.

The completion of our Masonic Temple, the early realization of which was a feature in my report of last year, has been again delayed owing to the financial stringency, and we cannot hope to do satisfactory work in our present apartments. I am hoping, however, that during the coming year we shall really have the building finished and that no further apologies for ineffective work will be offered.

In spite of our drawbacks, however, I can still report that the Rite in this Province shows signs of favourable progress, for while only 7, 8 and 10 have been added to the membership in the Lodge, Chapter and Consistory respectively, this is partly to be explained by the fact that we have endeavored to be very careful in the selection of desirable candidates. The character of the work done is improving and we are making the necessary preparations to add new degrees to our series.

Dispensations have been granted to shorten the statutory time between certain of the Consistory degrees, particularly in the case of candidates who had to come a great distance to attend our annual Re-union.

Fraternally submitted,

E. A. BRAITHWAITE, 33°.

The Special Committee on the Address of the Sovereign Grand Commander presented the following report :

*To the Supreme Council A.°. & A.°. Scottish Rite for the Dominion of Canada.*

ILLUSTRIOUS BRETHREN :

The Committee on the Address of the Sovereign Grand Commander, beg to express their pleasure at the reception of a deliverance full of information, cultured thoughts and sound advice regarding the teachings and principles of the Rite, showing conclusively how ably we have been presided over during his long term of office.

We heartily agree with his expressions of approval in once more meeting in the Grand East. We also fully sympathize with his thoughts and expressions regarding former meetings with old and tried brethren, and your Committee will never forget the many and heartfelt welcomes extended to members of the Rite generally.

Your Committee join with him in his special reference to the great loss we have sustained in the death of Ill.°. Bros.°. HAGAR and ELLIS. It would be superfluous to enlarge on the beautiful language expressed in his report. It would be like endeavoring to paint the lily.

Your Committee concur in the recommendations regarding conclusions formulated at the meeting of the International Conference of Supreme Council at Washington.

Your Committee are strongly of the opinion that the attitude taken by the Northern and Southern Jurisdiction of the United States regarding the action of the Grand Orient of Spain in assuming to establish Lodges of the first three degrees in various localities of the United States of America should be concurred in by this Supreme Council, and further, that our Secretary-General be instructed to communicate our views to the two Jurisdictions mentioned above.

Regarding the interesting paragraphs dealing with the recognition of Supreme Councils and our neighbours, we endorse the report made on a former occasion when questions of this nature were referred to the Committee on Foreign Correspondence and Relations.

Your Committee congratulate the Sovereign Grand Commander and Supreme Council on the wonderful progress made in Scottish Rite Masonry during the last decade and especially during the last year. The gain seems to be universal, and may one not look for still greater progress from the new centres of activity in the West.

Your Committee are satisfied that much of this increasing interest is due to the personality of our distinguished Sovereign Grand Commander, whose capacity for work and interest in men are so well known.

Your Committee feel that they cannot close their report without expressing the great regret that is felt by the members of this Supreme Council that you are unwilling to allow your name to come before Supreme Council for re-election to the distinguished position of Sovereign Grand Commander, and feel assured they are expressing the heartfelt feelings of every member of this Supreme Council when they ask you to reconsider your decision

We believe it to be in the best interests of the Rite to have you continue as its presiding officer for at least another term.

Fraternally submitted,

B. TOOKE, 33°.

J. D. CHIPMAN, 33°.

W. H. BALLARD, 33°.

On motion by Ill.: Bro.: TOOKE, seconded by Ill.: Bro.: CHIPMAN, this report was received and adopted.

The Committee on the Doings of Inspectors-General and Special Deputies presented the following report :

*To the Supreme Council A.: & A.: Scottish Rite for the Dominion of Canada.*

ILLUSTRIOUS BRETHREN :

Your Committee on the reports of the Illustrious Deputies for the different Provinces are pleased to note the continued satisfactory condition of the Rite throughout the whole jurisdiction.

From the reports presented by the Deputies, your Committee find that the year just closed shows that the Rite is keeping pace with the great growth and prosperity of our country, and that the year just closed is the most prosperous in

its history, not only as regards the increase in its membership, but in the quality of the work done, almost every Lodge, Chapter and Consistory reports increased degrees worked, more candidates accepted and an increased interest in the affairs of the Rite.

While Re-unions have been held as usual in many of the centres, it is pleasing to note that the degrees have been exemplified consistently throughout the year.

Dispensations have been carefully guarded and only granted by your Deputies for good and sufficient reasons.

Again your Committee have pleasure in calling your attention to the active and painstaking work done by your Deputies and the full and detailed reports presented by them.

It is with regret, deep regret, that two of your most efficient, capable and active Deputies have concluded their reports with their resignations of the office of Deputy, both of these Deputies have rendered splendid service to our Order in their respective Provinces, and to their watchfulness and care is in a great measure due the prosperity of the Rite in their jurisdictions. Your Committee wish to express the hope that our Heavenly Father will long spare them to enjoy His many blessings and that this Supreme Council may have the benefit and profit of their presence and counsel.

All of which is respectfully submitted,

BENJAMIN ALLEN, 33°.

F. J. HOWELL, 33°.

A. McDOUGALL, 33°.

This report on motion, duly moved and seconded, was received and adopted.

The Committee on Audit and Finance presented the following report :

*To the Supreme Council A. : & A. : Scottish Rite for the Dominion of Canada.*

ILLUSTRIOUS BRETHREN :

The Committee on Audit and Finance beg leave to report that they have checked the cash statements of the Secretary-General and Treasurer-General laid before them, and verified the disbursements by vouchers for the year ended the 30th September, 1913, and find the same in order.

Your Committee are of the opinion that the balance on hand warrants the investment of an additional sum of four thousand dollars, and recommend that amount to be invested in some trust security.

Fraternally submitted,

E. B. BUTTERWORTH, 33°.

S. A. LUKE, 33°.

A. McDOUGALL, 33°.

Montreal, October 23rd, 1913.

This report on motion of Ill.: Bro.: BUTTERWORTH, seconded by Ill.: Bro.: LUKE, was received and adopted.

The Sault Ste. Marie Lodge of perfection constituted by Dispensation dated 18th of November, 1912, having worked under dispensation and having sent up this dispensation accompanied by a petition asking for a Warrant of Constitution in Perpetuity, it was resolved on motion by Ill.: Bro.: ALLEN, seconded by Ill.: Bro.: MACWATT, to grant the Warrant so asked for in due form.

Ill.: Bro.: ALLEN withdrew the motion of which he had given notice at the last Annual Session.

On motion by Ill. Bro.: MACKAY, seconded by Ill.: Bro.: ALLEN, Honorary Membership in the Supreme Council was conferred upon FIELD MARSHAL HIS ROYAL HIGHNESS ARTHUR W. P. A. DUKE OF CONNAUGHT and STRATHEARN, K. G., etc., etc., 33°, Grand Patron of the Supreme Council for England and Wales, Grand Master of England, etc., etc.

On motion by Ill.: Bro.: STEARNS, seconded by Ill.: Bro.: W. GIBSON, Honorary Membership in the Supreme Council was conferred upon Ill.: Bro.: BARTON SMITH, 33°, Sovereign Grand Commander of the Supreme Council for the Northern Jurisdiction, U. S. A.

The Supreme Council suspended labour in General Session at 1.30 p. m.

The Supreme Council resumed labour in General Session at 2.30 p. m.

On motion, duly moved and seconded, it was resolved that the next Annual Session of Supreme Council should be held at the City of Toronto, in the Province of Ontario.

Pursuant to notice given at the last Annual Session, Ill.: Bro.: HOWELL, seconded by Ill.: Bro.: ALLEN, moved :

That a double-headed eagle be adopted by this Supreme Council as a Collar Jewel to be worn in the following manner :

For the 32° members to be a black double-headed eagle, with wings and tail tipped with gold, surmounted by a gold crown, and holding a sword in its claws and suspended from the sword a gold ribbon with the words, " Spes mea in deo est," engraved thereon, to be worn suspended around the neck by a red watered ribbon 1½ in. wide with a narrow gold edging.

And that the Statutes and Regulations, and Work, be amended in accordance with the above resolution.

This motion was discussed at considerable length, and it was shown that many of the Consistory members, especially in the Province of Ontario, have been supplied with the eagle jewel, and that great diversity of usage in this matter exists in the different Scottish Rite jurisdictions throughout the world.

It was finally moved in amendment by Ill.: Bro.: BALLARD, seconded by Ill.: Bro.: MACWATT, and resolved that while the provisions of the existing constitution must hereafter be strictly complied with, this Supreme Council resolves that in view of the misapprehension which has existed on this subject and of all the circumstances, brethren already supplied with the 32nd degree jewel with the eagle as described in the notice of motion, be permitted to continue to wear the same, all jewels hereafter purchased or obtained being required to be in accord with the constitution.

The Sovereign Grand Commander then appointed the Standing Committees as follows :

On motion of Ill.: Bro.: ALLEN, seconded by Ill.: Bro.: BUTTERWORTH, the thanks of Supreme Council were passed to the Officers and Brethren of the Rite in the Valley of Montreal for the attention and hospitality which had been so generously bestowed on the members of the Council during the Session.

The Supreme Council suspended labour in General Session and the

ILLUSTRIOUS BROTHER

**John Vallentine Ellis, 33°,**

PAST SOVEREIGN GRAND COMMANDER OF THE  
SUPREME COUNCIL

FOR

THE DOMINION OF CANADA.

*From the East of the Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, whose See is in the City of Montreal, in the Province of Quebec, near the B.°. B.°. and under the C.°. C.°. of that Zenith, which answers unto 45° 31' North Latitude, and 73° 20' West Longitude of the Meridian of Greenwich.*

TO ALL FREEMASONS OF THE ANCIENT AND ACCEPTED SCOTTISH RITE OF  
THE OBEDIENCE OF THIS SUPREME COUNCIL :

ILLUSTRIOUS BRETHREN :

It is our very sad duty to announce the death of Ill.°. Bro.°. the HONOURABLE JOHN VALENTINE ELLIS, 33°, Past Sovereign Grand Commander and one of the oldest members of the Rite in Canada, in fact, the first to receive the thirty-third degree in our Supreme Council.

During recent years it was evident that his physical strength was gradually failing, but year after year his punctual attendance at our meetings, even at great personal inconvenience, and long distances from his home, inspired us with the sincerely cherished hope that he might still be spared a few years longer, to assist in our deliberations, counsel us with his wise advice, and stimulate and encourage us in the discharge of our duties and obligations. Association with him was always felt to be a pleasure and an inspiration.

In deliberative work he never jumped at conclusions. His well balanced mind always strove after that which under all circumstances seemed to him prudent and right. Clear headed and concise in the expression of his views, he seldom failed in securing conviction and concurrence. His well nigh forty years of membership of Supreme Council is closely and prominently associated with its history and records during that prolonged period.

His Masonic career in all its branches was brilliant and especially marked by thoroughness of understanding and appreciation of its teachings and principles. He took the highest position in every branch of Masonry and was Sovereign Grand Commander of the Supreme Council from 1886 to 1892. No member of the Rite was more generally beloved and respected and the same remark may be made of him as a citizen and prominent public man.

Our illustrious brother died on 10th July, in his seventy-ninth year, having been born at Halifax, on 14th February, 1835, of Irish parentage. His early career was characterized by a determination to meet and conquer difficulties. As a printer, then a reporter, then an editor, and then a responsible publisher, his efforts were crowned with uniform success, but while achieving that success he lost no opportunity to supplement his early education by careful reading and study, securing thereby a well deserved reputation for broad culture.

He stood out prominently among leaders in every progressive movement in his community, devoted much attention to philanthropic and humanitarian work, and commanded the respect of all who knew him. As a member of the Provincial Legislature, and then of the House of Commons, and finally of the Senate of Canada, he was distinguished by his clearness of intellect, his independence of views and unfaltering adherence to his convictions, even when not in entire accord with his usual political affiliation.

Bro. : ELLIS as a Past Sovereign Grand Commander for Canada, was prominent in the representation of our Supreme Council at the International Conference at Brussels in 1907, and Washington in 1912, and it may safely be asserted that in Scottish Rite Masonry throughout the world, no name was better known or stood higher than that of our brother. He was very regular in his visits to the neighboring Supreme Councils of the Northern and Southern Jurisdictions being by the officers and members of both held in the highest estimation and truly fraternal regard.

We shall miss him, but the memory of his unfailing courtesy, his calmness and reasonableness in debate and his living exemplification of high ideals, will still be with us to guide, to caution, to encourage, to stimulate us to nobler purposes and teach us that

“Men may rise on stepping stones of their dead selves to higher things.”

Our heart-felt sympathy is with our late brother's widow and family. May our Father in Heaven have them in His Holy keeping.

As a mark of respect to the memory of our departed brother, the usual badge of mourning will be worn for a period of sixty days from the reading of this letter.

Given under my hand and seal of the Supreme Council this 21st day of August, 1913.

J. M. GIBSON, 33°,

ILLUSTRIOUS BROTHER

**Charles Wells Thagar, 33°,**

GRAND MARSHAL OF THE SUPREME COUNCIL

FOR

THE DOMINION OF CANADA.

*From the East of the Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, whose See is in the City of Montreal, in the Province of Quebec, near the B.: B.: and under the C.: C.: of that Zenith, which answers unto 45° 31' North Latitude, and 73° 20' West Longitude of the Meridian of Greenwich.*

TO ALL FREEMASONS OF THE ANCIENT AND ACCEPTED SCOTTISH RITE OF THE  
OBEDIENCE OF THIS SUPREME COUNCIL.

ILLUSTRIOUS BRETHREN :

Our ranks have again been invaded by death, and Ill.: Bro.: CHARLES WELLS HAGAR, 33°, one of the best liked and most useful members of the Supreme Council has responded to the summons and we shall never on this mortal earth again behold his familiar face and stalwart figure.

During his illness which for some time had been quite critical, a change for the better took place and it was hoped that his recovery to usual health might with some confidence be looked for. This, however, was not to be, the last ray of hope faded and on the 16th March he passed away.

His loss will be severely felt, for at all times duties assigned to him have been most cheerfully and efficiently discharged. As was said of him in Montreal by the Grand Z of the Grand Chapter of Quebec, "Whether in the Craft or beyond its borders there was probably no man more universally respected in this great city; indeed, so far as his brethren are concerned, it is no exaggeration to say that they loved him, for he possessed in a marked degree those qualities of heart and mind which call forth the affection of one man for another."

Bro.: HAGAR was born in Montreal, 22nd March, 1846; initiated in Mount Royal Lodge, No. 32, Montreal, 8th June, 1869, and affiliated with Royal Albert Lodge in December, 1870. He was W. M. of this Lodge in 1892 and 1893, was Grand Registrar of the Grand Lodge of Quebec in 1905 and was elected Deputy Grand Master in the present year, only a day or two before he was stricken down by his fatal illness.

In Capitular Masonry he was a member of Royal Albert Chapter, No. 8, Montreal, and became Grand Assistant Sojourner of the Grand Chapter of Quebec in 1896.

He was a member of the Royal Order of Scotland and was Grand Treasurer of the Provincial Grand Lodge of Quebec.

In the A.: & A.: S.: Rite he became a member of Hochelaga Lodge of Perfection in February, 1875; was elected M. W. S. of Hochelaga Chapter of Rose Croix for the years 1895, 1896, 1897 and 1898.

He was received as an Honorary Inspector-General in the Supreme Council in October, 1893, and crowned an Active Member three years later. He became Deputy of the Supreme Council for the Province of Quebec in 1910 and retained that office till his death.

In religion, he was a member of St. George's Church (Anglican) and had been for 25 years an active member of its choir. In this church his funeral service was held, and the esteem with which he was generally regarded was manifested by the large assembly of Masons and other citizens who gathered to pay their last respects.

His business was that of Manager of the Dominion Guarantee Company, of Montreal, a position he had filled for a number of years.

To his widow and two sons we extend our very deep and sincere sympathy.

As a mark of respect to the memory of our departed brother, the usual badge of mourning will be worn for a period of sixty days from the reading of this letter, and may our Father in Heaven have you always in His holy keeping.

Given under my hand and seal of the Supreme Council this 11th day of April, 1913.

W. H. BALLARD, 33°,
